THIS list comprises some of the new, together with the standard and well tried varieties of bulbs. Bulbs may be planted from October 1st 'till the ground freezes, the sooner the better, as it gives them a chance to root before cold weather sets in. We are prepared to supply the varieties described in this list in any quantity. Six (6) bulbs or more of one variety at the dozen (12) rate, 25 or more at the 100 rate.

An asterisk preceeding the name indicates it may be successfully forced. The figure following the name indicates the relative sequence of flowering, second figure, the height.

We pay all Parcel Post or Express Charges on all Bulbs
